### **Discussion Questions**

**Couples, what were your first impressions of each other?**

**What are some areas where you and your spouse have different preferences?**

**Have there been seasons in your life when you have really worked side by side together toward a common mission? What effect did that have on your relationship?**

**How well do you and your spouse communicate on a daily basis?**

**Share with the group some of your spouse's strengths and how they better your family.**

**Are there any aspects of your spouse's job that are challenging to your marriage and family?**

**What inspires you about your spouse?**

**RELATIONSHIP GOALS**
